

# FENCE BRACKETS - Aluminium

## SINGLE LUG - Aluminium

|  | CODE                                    | RAIL  | CTN |
|--|---|-------|-----|
|  | Horizontal - Single Fixing Hole         |       |     |
|  | FB25H                                   | 25x25 | 180 |
|  | FB30H                                   | 30x30 | 150 |
|  | FB32H                                   | 32x32 | 150 |
|  | • Allows for Horizontal Rail Adjustment |       |     |

|  |   |       |     |
|--|---|-------|-----|
|  | Horizontal - 2 Fixing Holes             |       |     |
|  | FB38H                                   | 38x25 | 120 |
|  | • Allows for Horizontal Rail Adjustment |       |     |

|  |                                       |       |     |
|--|---------------------------------------|-------|-----|
|  | Vertical - Single Fixing Hole         |       |     |
|  | FB25V                                 | 25x25 | 180 |
|  | FB30V                                 | 30x30 | 150 |
|  | FB32V                                 | 32x32 | 150 |
|  | • Allows for Vertical Rail Adjustment |       |     |
|  | • Design Registration No. 119326      |       |     |

|   |                                       |       |     |
|---|---------------------------------------|-------|-----|
|  | Vertical - 2 Fixing Holes             |       |     |
|   | FB38V                                 | 38x25 | 120 |
|   | • Allows for Vertical Rail Adjustment |       |     |
|   | • Design Registration No. 119326      |       |     |

|  |                       |       |     |
|--|-----------------------|-------|-----|
|  | Plain - 1 Fixing Hole |       |     |
|  | FB40x8P               | 40x8  | 200 |
|  | FB40x10P              | 40x10 | 200 |

|  |                        |       |    |
|--|------------------------|-------|----|
|  | Plain - 2 Fixing Holes |       |    |
|  | FB38P                  | 38x25 | 90 |
|  | FB40P                  | 40x40 | 80 |

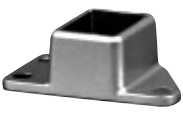

|  |                        |       |    |
|--|------------------------|-------|----|
|  | Plain - 2 Fixing Holes |       |    |
|  | FB50P                  | 50x50 | 60 |

## DOUBLE LUG - Aluminium

|   | CODE                                    | RAIL  | CTN |
|---|---|-------|-----|
|  | Horizontal - 2 Fixing Holes             |       |     |
|   | FB25HDL                                 | 25x25 | 150 |
|   | FB30HDL                                 | 30x30 | 130 |
|   | • Allows for Horizontal Rail Adjustment |       |     |

|   |   |       |     |
|---|---|-------|-----|
|  | Horizontal - Offset - 3 Fixing Holes    |       |     |
|   | FB38HDLO                                | 38x25 | 120 |
|   | • Allows for Horizontal Rail Adjustment |       |     |

|   |                        |       |    |
|---|------------------------|-------|----|
|  | Plain - 2 Fixing Holes |       |    |
|   | FB2538PDL              | 25x38 | 90 |

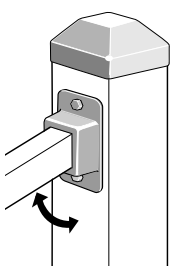

|  |                                 |       |    |
|--|---------------------------------|-------|----|
|  | Plain - Offset - 3 Fixing Holes |       |    |
|  | FB38PDLO                        | 38x25 | 90 |

|   |                        |       |    |
|---|------------------------|-------|----|
|  | Plain - 4 Fixing Holes |       |    |
|   | FB40PDL                | 40x40 | 60 |

|   |   |       |    |
|---|---|-------|----|
|  | Plain - 4 Holes + Security Fixing Hole      |       |    |
|   | FB50PDL                                     | 50x50 | 25 |
|   | • Australian Design Registration No. 139079 |       |    |

|   |                        |       |     |
|---|------------------------|-------|-----|
|  | Round - 2 Fixing Holes |       |     |
|   | FB31.8R                | 31.8Ø | 120 |

## RAIL BRACKETS - Zinc Plated Steel

Refer **DOWNEE RMD** price list for a comprehensive range of single and double lug zinc plated steel rail brackets.

Brackets available for:- 25 x 25, 30 x 30, 38 x 25, 40 x 40 & 31.8Ø rails.

## ADJUSTABLE RAIL BRACKET - Aluminium + Polymer

Refer **DOWNEE RMD** price list.

Adaptors available for 25 x 25, 30 x 30, 38 x 25, 40 x 40 & 31.8Ø rails.
